With views towards the countryside and the sea, Cases de Son Barbassa is a gorgeous, family friendly finca near Capdepera in Mallorca. There are 2 family suites with interconnecting rooms and the chef is in the kitchen from 5.30pm every day so can prepare childrens supper at any time. This 16th century finca is just a few kilometres from the medieval village of Capdepera and 5 minutes from the centre of Cala Ratjada. The swimming pool is surrounded by canopied sun beds and the pool has a shallow and deep end making it easy to swim for children. Room 15 has a huge terrace and it is best to have a room with countryside views rather than views onto the pool. The restaurant is smart, yet informal with both the meat and the fruit & vegetables coming directly from the hotel's estate. Car hire is recommended here as the hotel is within easy reach of some of the loveliest beaches on the island.
